DIVERSE GRANTS OPPORTUNITY

The SLF is accepting applications for the **Diverse Writers** grant, supporting writers of speculative fiction who are from underrepresented and underprivileged groups, and the **Diverse Worlds** grant, for work that best presents a diverse world, regardless of the writer's background. Each grant awards \$500. The application and additional criteria can be found [here](#).

Are you a member with a recent or upcoming publication? Are you a nonprofit with a relevant event, opportunity, or resource you want to make more writers aware of? Submit your request [here](#).

WEEKLY CO-WRITING

Co-writing sessions are held weekly on Saturdays 11-2pm central, with 10-15 minutes of introduction, followed by 45 minutes of silent writing, done three times, from beginning to end. If you have any questions about participating or membership, email our Director of Development and Outreach at development@speculativeliterature.org.

MRAH PODCAST

Have you [heard](#) our podcast MRAH yet? Our summer intern Jai Caldwell just watched Episode #1 and expressed that it was "So unexpectedly emotional and vulnerable at times — I love it! Especially, Rosenbaum's rule of thumb, excellent for speculative writers".

SLF CHAPTERS

The **Chicago Chapter** hosts monthly co-writing sessions every 3rd Sunday from 11am-4pm CT. The next meeting is July 18th! Check the official Meetup for information on future meetings & events: [Sign up here!](#)
